

Never Shake a Baby Agreement

It is my pleasure to help care for your baby. As part of my commitment to insure the best and most nurturing care for your child, I promise to never shake your baby, under any circumstances. I have read the information about calming a baby's cries provided on the "Never Shake a Baby" parenting flyer and the "Soothing Your Baby's Cries" parenting flyer. I agree that if your child experiences crying that cannot be calmed while he or she is in my care, I will follow the recommendations outlined on those two parenting flyers, including the advice to ask another responsible adult for support if I need a break, and calling the 800-CHILDREN (800-244-5373) parent helpline to speak with someone about how to handle the situation.

I am grateful to be in your baby's life.

By signing this agreement, I am doing my part to protect your child's health and well-being and offer him/her a bright future.
