

Pinwheels for Prevention

Prevent Child Abuse America and each of its state chapters, including Prevent Child Abuse Virginia, are adopting the **pinwheel** as their new symbol. The pinwheel is a happy and uplifting symbol of childhood and can be used in a number of ways to draw attention to the prevention of child abuse and neglect.

Planting a Pinwheel Garden

Plant pinwheels in honor of:

- ★ **All the children born in your community during the past year.**
- ★ **All the children serviced by your organization or school.**
- ★ **Your own children.**
