Plant a Pinwheel Garden!

Shining in the sun, the pinwheels represent a bright future for our children and our community.

We want all children to live in stable, loving, and stimulating environments - at home, in school, and in the community.

Ways to Use Pinwheels:

- Plant a pinwheel garden in a public place, such as a park, school, day care center, library or church.
- Shout it out from the rooftops, "Pinwheels for Prevention is HERE!"
- Encourage the local media to get involved, and/or add Pinwheels for Prevention information to your website.
- Assemble a pinwheel garden in front of your home or business.
- Place pinwheels in small flower pots on counters and employee's desks.
- Host a community event and invite local families to help you plant your pinwheel garden.
